<b>Assumptions Used in Arriving at Fiscal Estimate</b>  <p>The proposed rules will update public librarian certification requirements. The rules update some coursework required to receive Grade II or III certification, but do not require additional coursework beyond the 12 semester credits currently required. The rules also allow four years of temporary certification for an individual to complete the courses needed to receive regular certification.</p> <p>It is assumed the proposed rules will have no fiscal impact on libraries, school districts, the department or small businesses as defined in s. 227.114 (1) (a), Stats.</p>
